Dear Mr Jarrett

I refer to your letters addressed to Her Excellency the Governor dated 31 March 2022 and 14 June 2022, which she received on 7 July 2022.

In your letter of 14 June 2022 at page 7 you request that the Governor direct the South Australian Government to immediately release you from incarceration and also undertake certain other actions.

I have to inform you that the Governor has no power to implement any of the actions you request.

On page 11 of the same letter you express your understanding that "...the Governor is required to onforward 'this document' to the Executive State Government (likely the Premier), for administrative processing of matters described herein".

I have further to inform you that there is no such obligation insofar as your letter discloses no matter on which advice is required. Notwithstanding this, a copy of your letter has been passed to the Government for any action that may be deemed appropriate.

Yours sincerely
