Dear Mr Jarrett

I refer to the email of 6 September 2012 by Ms Wendy Stone, together with accompanying documents, provided on your behalf to the office of the Minister for Correctional Services. Ms Stone's email was forwarded to my office on the basis that the issues raised in the material accompanying Ms Stone's email appear to fall more relevantly within my portfolio areas of responsibility.

Six documents were attached to Ms Stone's email including: a document entitled, "Petition for Mercy", dated 20 April 2008; a letter addressed to the Governor from you dated 26 June 2008; a letter to the Governor from you dated 23 November 2008; a letter from the Governor's Acting Official Secretary to you dated 26 May 2009; a letter from the Official Secretary to the Governor to you dated 15 April 2011; and a thirty five page document entitled, "Corruption in South Australian Government", which includes copies of various other documents.

I understand from the documentation provided that the intention is to trigger an investigation into the allegations of corruption you have made or prompt any investigation currently on foot to proceed further.

I advise that these are matters for police. Accordingly, the allegations you make should be pursued through the police or, upon its establishment, the Independent Commission Against Corruption.

Yours sincerely

John Rau
